BANGLADESH UNIVERSITY OF PROFESSIONALS

“শিক্ষা নিয়ে গড়ব দেশ
শেখ হাসিনার বাংলাদেশ”

Excellence Through Knowledge

HISTORY

Bangladesh University of Professionals (BUP) was founded as the 31st public university of Bangladesh on 05 June 2008 at Mirpur Cantonment, Dhaka. Today, BUP has emerged as a unique university with many faculties, students, facilities, and purposes. BUP offers 21 academic programmes, like Accounting, Marketing, Management, Finance, International Relations, Law, English, Development Studies, ICT, Environmental Science and so on, under six faculties. BUP also offers higher education under the Centre for Higher Studies and Research (CHSR) and various language-related courses under the Centre for Modern Languages (CML). It must be mentioned that 56 institutes nationwide are affiliated with BUP. More than 1,000 students are currently enrolled in different departments of BUP, and more than 12,000 are enrolled in other affiliated institutes under BUP. Almost 900 researchers from various disciplines have been pursuing research under CHSR. The Office of the Evaluation, Faculty and Curriculum Development (OEFCD) is relentlessly working on developing global standard faculty and curriculum. BUP has uniqueness as a public university since the Armed Forces of Bangladesh members administer it with the support of renowned civil academia and researchers in upholding the motto of "EXCELLENCE THROUGH KNOWLEDGE". The university is confidently advancing in imparting knowledge to achieve excellence in the country's human resource development.

VISION

Bangladesh University of Professionals will emerge as a leading university for both professionals and general students through need-based education and research with global perspective.

MISSION

To develop the civil and military human resource through advanced education and research to respond to the knowledge-based society of the contemporary world.

CORE VALUES

Integrity	:	Highest ethical and moral uprightness
Discipline	:	Strict discipline in all activities
Creativity	:	Creativity in all spheres
Commitment	:	High quality academic standards
Wisdom	:	Enhanced education and research

OBJECTIVES

- To become a leading university in Bangladesh and in the region
- To promote knowledge in the field of science and technology, business, medicine, social science, security, and strategy
- To promote leadership and civil-military relationship
- To develop intellectual and practical expertise
- To provide the conducive academic atmosphere
- To preserve the spirit of national culture, heritage and traditions
- To facilitate higher education in the Armed Forces
- To prepare the Faculty and Staff with necessary competencies
- To deliver competent professionals relevant to the demands of the society
- To sustain collaborative relationships with communities and educational partners
- To provide efficient services to support v vmes, campus, campus community and quality of life

Strength of the University

To achieve the desired level of excellence, BUP emphasizes on following issues:

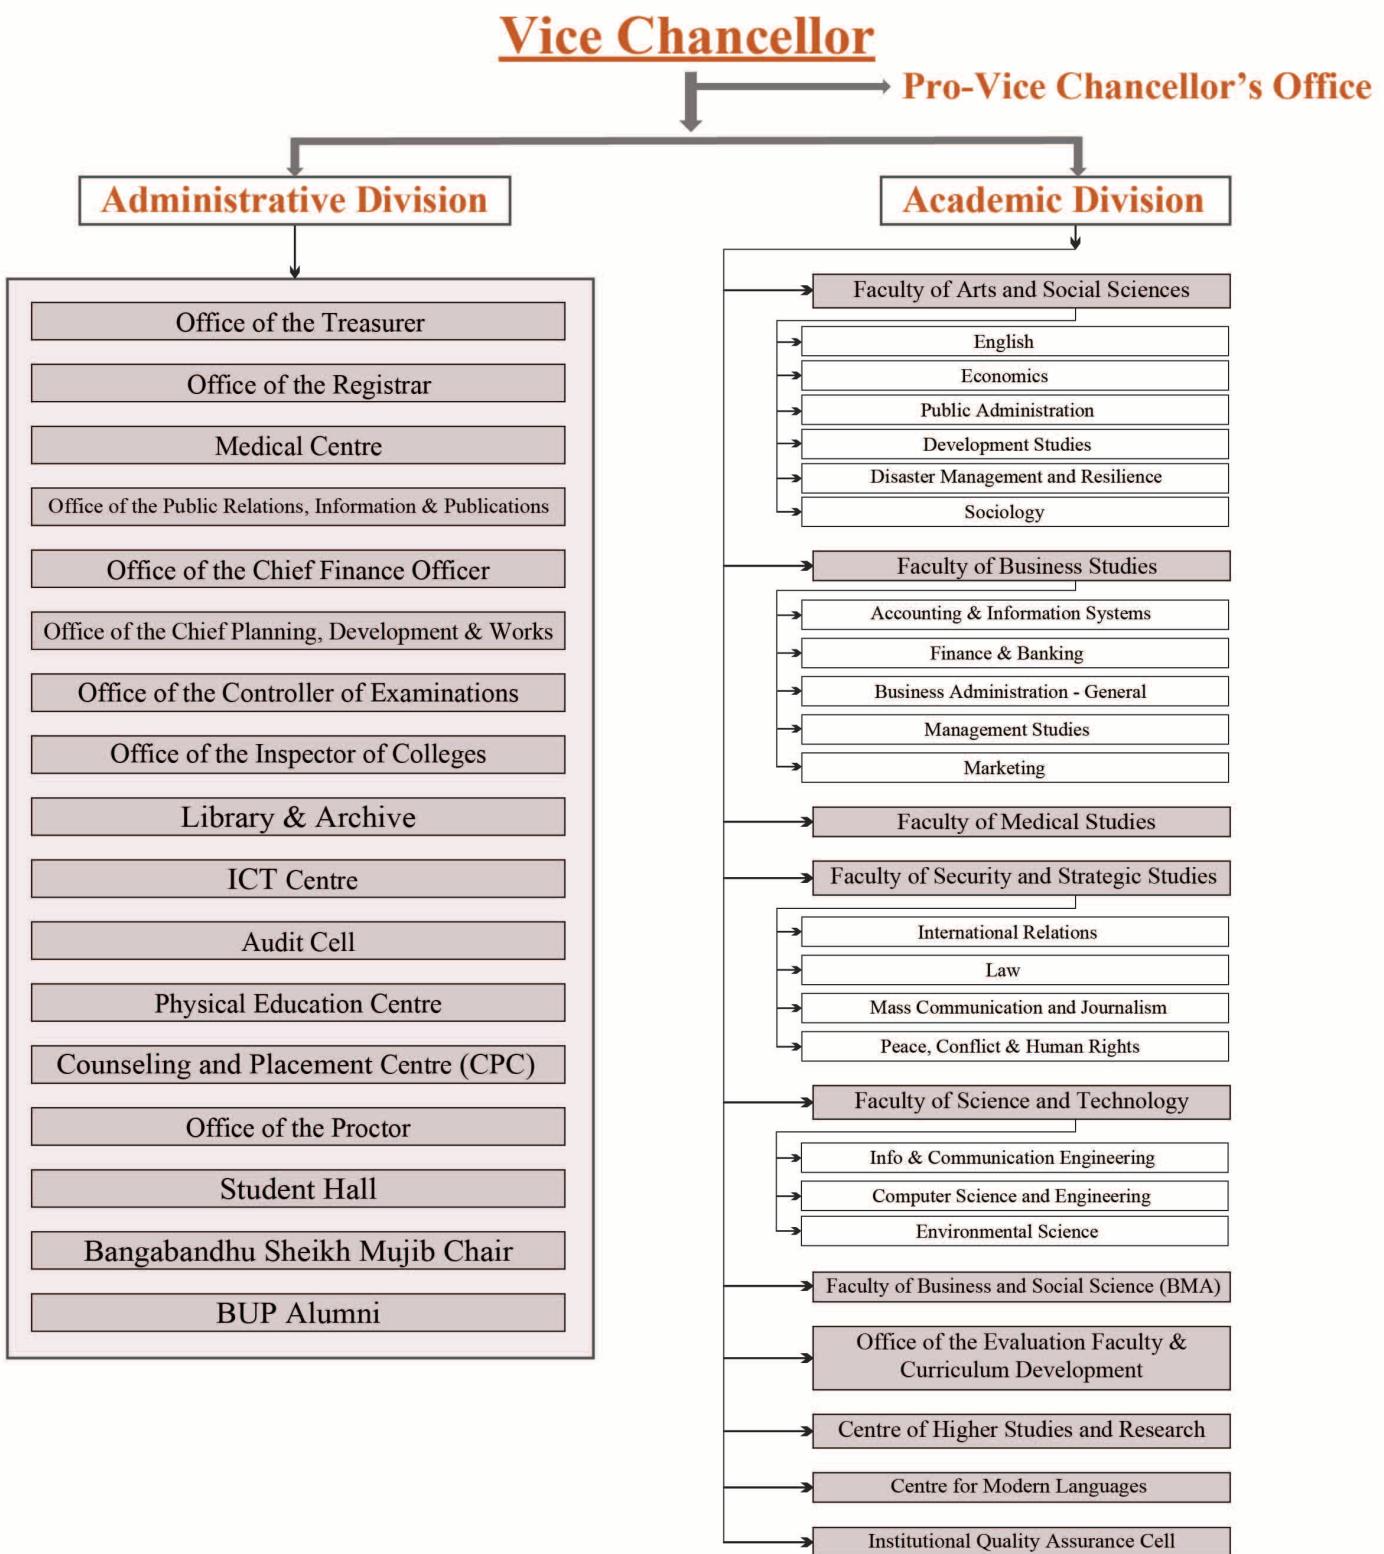

- Meticulous and most transparent admission and selection process for best possible screening of the students and staff
- Interactive sessions in the classroom and uninterrupted academic environment
- State of the effective learning through innovative and scientific methods on latest technological advancement and development in the world
- Offering mandatory skill development courses for the students against all academic programme
- Provision of outsourcing senior faculty members, scientist and experts
- Special arrangement for public speaking, contemporary technological and development issues at regular basis
- Continuous monitoring, evaluation, feedback and assessment on students' performance
- A culture of discipline, punctuality and commitment
- Students need to abide by the University Code of Conduct
- Create skilled human resources with all qualitative attributes
- A tranquil environment friendly and secured campus.

Medium of Instruction

English is the sole medium of instruction in BUP.

Faculty and Department

BUP offers four years Bachelor's (Hons') degree, three years Bachelor of Arts & Social Science (Pass) degree and two years Master's degree under sixteen departments of five faculties.

Faculty of Arts and Social Sciences (FASS)

FASS has six departments and one BA/BSS (Pass) Programme. These are:

Department of English: Department of English under FASS of BUP has been running in full swing with its BA (Hons) in English Programmemme since its inception in June 2015. It has also been running two Master's Degree Programmemme e.g. MA in English Literature & Cultural Studies (ELCS) and MA in English Language Teaching & Applied Linguistics (ELTAL). The department aspires to enrich students' understanding of world's thoughts, cultures and human values to groom up as global representatives. It also attempts enhancing students' proficiency in English language as an aesthetic and pragmatic power.

Department of Economics: Department of Economics has started its journey with the Bachelor of Social Science in Economics (BSS in Economics) programmemme since January 2015. The 1st batch has completed Bachelor degree in 2018. Within a short span of time, this department has become one of the promising departments of BUP. The objective of this department is to generate an appreciation of the economic dimension extending to business, politics, environments, and international issues.

Department of Public Administration: Department of Public Administration aims to contribute to educating the development and growth of quality public administration. It provides academic programmemes for achieving degrees in public administration. The department also equipped them with the advancement of the field knowledge and practice in administration. It supports and encourages faculty members and students to conduct studies and research in the field of public administration.

Department of Development Studies: This department offers Development Studies programme which allows students to blend a critical awareness of international development from a multidisciplinary approach. Students examine the problems, processes, and prospects for the development of human and material resources that are generally thought to be the less developed areas of the world. This programme is a combination of political science, economics, administrative science, sociology, psychology, anthropology, geography, history, natural resources, environmental science and many other upcoming issues.

Department of Disaster Management and Resilience: This department develop students' skill and creative judgment for effective management of natural and man-made hazards along with climate change related similar issues through multidisciplinary approach. The mission is to provide theoretical as well as hands-on practical learning through lab-based exercises and fieldworks. This enables students to solve critical contemporary problems through risk assessment and disaster risk reduction (DRR). The long-term goal of this department is to create personnel who will contribute to the Sustainable Development Goals (SDGs), Bangladesh Vision 2041, Bangladesh Delta Plan 2100 and overall development in disaster prone Bangladesh.

Department of Sociology: This department offers curriculum of sociology which allows students to blend a critical awareness of international development, with a solid grounding in another discipline. Sociology is the study of social transformation or change. Students of Sociology examine the problems, processes, and prospects for the development of human and material resources which are generally thought to be the less developed areas of the world.

BA/BSS (Pass) Programmeme: BUP started three years Bachelor of Arts (BA) and Bachelor of Social Science (BSS) Pass Degree in 2014 to facilitate the Graduation (Pass) Degree to Armed Forces Personnel, Boarder Guard of Bangladesh (BGB) members and all citizen of Bangladesh. BA/BSS (Pass) Private programmeme continued with same spirit to achieve the desired human resources development for all the citizen of the country.

Faculty of Business Studies (FBS):

FBS has five departments. These are:

Department of Business Administration in Accounting & Information System: Primary objective is to develop human resources who can contribute in the Audit, Tax and Accounting Information System design of both the public and private sectors. Secondary objective is to offer students with accounting knowledge aligned with the professional world so that they can have proper background knowledge in becoming a future public/professional accountant.

Department of Business Administration in Finance & Banking: The vision of the Department is to develop skilled human resources with specialized education and training in financial and banking services. The Department is committed to fulfil the needs of modern business world. The Department has also a vision in producing executives and trained manpower with strong skills in finance and business. It provides the intellectual and skilled professionals to meet the demands of the society.

Department of Business Administration (General): The vision of the department is to develop skilled human resources with specialized education and training particularly in business techniques and strategies. The department is committed to develop the intellectual and behavioral competencies of the graduates so that they can adjust in ever changing corporate world. The department offers BBA (General) and MBA (Regular) programmeme which are most pertinent in the present business world.

Department of Business Administration in Management Studies: Department of Management Studies concentrates on providing advanced knowledge to the students for the management of organizations and develops potential managers and future leaders for the organizations. The department imparts education to the students so that they can maximize human values in the organization. The department also provides proper management knowledge and skills to the students for making efficient utilization of the limited resources.

Department of Business Administration in Marketing: The Department aims to create a world class generation in the arena of marketing. The Department has been providing value oriented quality education with an aim to create a competent generation in the field of business and commerce. Business Administration in Marketing will pursue the vision statement of BUP “the need-based education and research” by putting together students’ education, faculty research and academia-industry collaboration.

Faculty of Medical Studies (FMS):

FMS oversees the programmes offered by the affiliated medical colleges and institutes. The affiliated colleges and institutes include Armed Forces Medical College and five Medical Colleges of Bangladesh Army, Armed Forces Medical Institute, two nursing Colleges and Armed Forces Institute of Pathology. The Faculty of Medical Studies has been committed to conduct research on medical sciences so that the society, community and country can be benefitted with get the best medical services.

Faculty of Security and Strategic Studies (FSSS):

FSSS has four departments. These are:

Department of International Relations: The department offers both undergraduate and graduate programmes. The programme promotes a better understanding of theoretical knowledge and its practicalities in the field of foreign policy, diplomacy and negotiation, traditional and non/traditional security issues, conflict and cooperation in the contemporary world. The department holds seminars and symposiums on critical aspects of area studies, pressing issues in global politics, and themes relating to the study of International Relations as an academic discipline. BUP IR collaborates with several national and international institutions and think tanks, such as Bangladesh Military Academy (BMA), Bangladesh Institute of Peace Support Operation Training (BIPSOT) and Bangladesh Institute of International and Strategic Studies (BISS). The department invites renowned academias, diplomats, and policymakers to share their expertise and experience with faculty members and students. It also encourages and supports the students and fellow researchers to actively engage in contemporary academic research.

Department of Law: Department of Law endeavors to develop capable human resources with specialized knowledge in the fields of law, education, research and policy formulation. The department familiarizes the students with the updated legal knowledge with strong skills through co and extra curricular activities. It also encourages and supports the students as well as the faculty members in engaging themselves to contemporary academic research.

Department of Mass Communication & Journalism: Department of Mass Communication and Journalism aims to prepare the students in analyzing the societal problems with the systems of electronic and print medias. The department also emphasizes to produce specialized graduates with sound academic knowledge and professional skills in contributing positive journalism. It also aims to enhance the capacity of the students with the integrative trades of human, social and technological modes of communication. The department expects the graduates to be leaders of the society with a sense of high morality, advanced skills and insightful attitudes to address the contemporary challenges of mass People.

Department of Peace, Conflict and Human Rights: The department of Peace, Conflict and Human Rights (PCHR) promotes inter-disciplinary knowledge understanding peace, conflict and human rights issues in the context of national, regional and global levels. The department aims to connect students with globally academic platforms to make them more professionals in the contemporary fields of peace, conflict, and human rights. It also envisions to contribute to this dynamic area of knowledge with cutting edge research findings to help policy makers and practitioners in understanding the complexity of peace, conflict and human rights.

Faculty of Science and Technology (FST):

FST has three departments. These are:

Department of Information and Communication Technology: The department offers Bachelor of Science in Information and Communication Engineering (ICE) degree which is designed to produce graduates with solid foundation, skills, and knowledge in information technology with a wide range of applications. It further focuses on the system development aspects of the information technology profession. The graduates would be able to gain extensive experience in society information and communication technology and skills to fulfil the needs of modern society.

Department of Environmental Science: The biggest challenge of the twenty-first century are global warming and climate change. To effectively address the difficulties facing by the mother earth, a significant number of environment graduates would be able to acquire competent skills for addressing global and climatic catastrophies. The Bachelor of Environmental Science (B. Sc.) programme is designed to provide interdisciplinary knowledge on air, water, soil. This programme further aims to generate trained human resources who will contribute to efficient solutions for all kinds of environmental challenges of the sustainable perspective.

Department of Computer Science and Engineering: Computer plays an indispensable role in all fields of modern human activities. Recent developments in computer technology have set great impact on the society and continues to be a field of innovation, challenge and research. Forthcoming Industry 4.0 would need huge workforce skilled in computer technology. Consequently, Computer Science and Engineering (CSE) has established itself as one of the most important branches of engineering. The Department of CSE is offering BSc. in CSE from 17 July 2022 with the goal of developing engineers to address the national and global needs. Currently one professional programme named Masters in Information Systems Security (MISS) is ongoing under the Department of CSE. Masters in Computer Science and Engineering (MCSE) professional programme will be started from July 2023.

Courses Offered Under Different Academic Programme

Undergraduate Programmes

Faculty	Name of Programme	Total Credit Hours	Duration of the Programme
Faculty of Arts and Social Science	BSS (Hon's) in English	126	4 Years
	BSS (Hon's) in Economics	126	4 Years
	BSS (Hon's) in Public Administration	126	4 Years
	Department of Development Studies	126	4 Years
	BSS (Hon's) in Disaster Management & Resilience	130.5	4 Years
	BSS (Hon's) in Sociology	126	4 Years
	BA/BSS (Pass)	84	3 Years
Faculty of Business Studies	Bachelor of Business Administration in Accounting & Information Systems (AIS)	126	4 Years
	Bachelor of Business Administration in Finance & Banking	126	4 Years
	Bachelor of Business Administration - General	126	4 Years
	Bachelor of Business Administration in Marketing	126	4 Years
	Bachelor of Business Administration in Management Studies	126	4 Years
Faculty of Security and Strategic Studies	BSS (Hon's) in IR	126	4 Years
	LLB (Hon's)	126	4 Years
	BSS (Hon's) in Mass Communication and Journalism	128	4 Years
	BSS (Hon's) in Peace, Conflict and Human Rights	120	4 Years
Faculty of Science & Technology	BSc in Environmental Science (BES)	156	4 Years
	Bachelor of Information and Communication Engineering (BICE)	160	4 Years
	BSc in Computer Science and Engineering (CSE)	160	4 Years

Graduate Programmes

Faculty	Name of Programme	Duration of the Programme
Faculty of Arts and Social Science	MA in English a. Literature and Cultural Studies (ELCS)	1 Year (2 Semesters)
	b. Language Teaching and Applied Linguistics (ELTAL)	1 Year (2 Semesters)
	MSS in Economics	1 Year (2 Semesters)
	MSS in DMR	1 Year (2 Semesters)
	MSS in Development Studies	1 Year (2 Semesters)
	MDS (Professional)	16 Months (4 Trimesters)
	MSS in Sociology	1 Year (2 Semesters)
Faculty of Business Studies	MSS in Public Administration	1 Year (2 Semesters)
	MBA in AIS	1 Year (2 Semesters)
	MBA in Finance & Banking	1 Year (2 Semesters)
	Masters in Business Administration	2 Years (4 Semesters)
	MBA in Human Resource Management	1 Year (2 Semesters)
	MBA in Strategic and International Management	1 Year (2 Semesters)
	MBA in Marketing	1 Year (2 Semesters)
Faculty of Security and Strategic Studies	MBA (Professional)	2 Years (6 Trimester)
	MSS in IR	1 Year (2 Semesters)
	Master of Laws (LLM)	1 Year (2 Semesters)
	Master of Laws (LLM-Professional)	1 Year (3 Trimesters)
	MSS in MC&J (Regular)	1 Year (2 Semesters)
Faculty of Science & Technology	MPCHR (Professional)	1 Year (3 Semesters)
	Masters in Information and Communication Technology (MICT)	2 Years (4 Semesters)
	Masters in Information Systems Security (MISS)	2 Years (4 Semesters)
	Master of Information and Communication Engineering (MICE)	1.5 Years (3 Semesters)
	Master of Science (M.Sc.) in Environmental Science (MES)	1.5 Years (3 Semesters)
	M.Sc./Masters in Environmental Science and Management (MESM)	1 Year (3 Semesters)
	MSc in Computer Science and Engineering (MCSE)	2 Years (4 Semesters)

Language Courses

Type of Courses	Name of Courses	Duration
Elementary Courses	Arabic Elementary, Burmese Elementary, Chinese Elementary, English (Elementary), French Elementary, German Elementary, Japanese Elementary, Russian Elementary & Turkish Elementary	4 Months
Level -1 Courses	Arabic Level-1, Chinese Level-1 & French Level-1	6 Months
Diploma Courses	Diploma in Arabic & Diploma in French	1 Year or 12 Months

Number of Seats : 50 Students in each course.

Qualification (Elementary) : Candidates must have passed in HSC or equivalent examination.

Qualification (Level-1) : Candidates must have passed the respective elementary in or equivalent course.

Qualification (Diploma) : Candidates must have passed the respective elementary and Level-1 or equivalent course.

Memorandum of Understanding (MoU)

BUP signed MoU with several leading global institutes and universities with a view to establishing a solid foundation to promote cooperation in the field of academics and research, student exchange, and faculty exchange for better integration of inter-cultural understanding. BUP also has signed MoU with several institutions within Bangladesh. Some universities and institutions affiliated with BUP are given as follows:

- Cranfield University, UK.
- University of Portsmouth, USA.
- Bangladesh Institute of International and Strategic Studies (BISS).
- The Institute of Chartered Accountants of Bangladesh (ICAB).
- Boost Higher Education (BHE).

Some students of BUP are undergoing enhanced education programme in different foreign university.

Bangabandhu Chair

The Father of the Nation Bangabandhu Sheikh Mujibur Rahman took keen interest on the inclusive education system of Bangladesh. To establish justice and provide equal opportunity in education, he first formed Qudrat-E-Khuda Commission to develop a comprehensive Education Policy for Bangladesh which can meet the need of the country of global standard. Bangladesh University of Professionals (BUP) has established 'Bangabandhu Chair' to preserve the vision, spirit, and leadership of the Father of the Nation in War of Liberation 1971 and all actions taken by him in developing "Shonar Bangla" (Golden Bengal) along with national culture, heritage, traditions, glorious history of the nation, and national heroes. Currently, the Bangabandhu Chair is under the CHSR and subsequently, the center will be transformed to a full-fledged research institute.

'Bangabandhu Chair' aims to conduct advanced research on the political philosophy, works and contribution of the Father of the Nation Bangabandhu Sheikh Mujibur Rahman with a view to materializing his dream of 'Shonar Bangla' (Golden Bengal) into reality and subsequently leading to sustainable socio-economic development of the country ensuring equality, justice, welfare, and wellbeing of common people of the country. The main goal of the Chair is to strengthen the research and innovation capacity of this university for producing high quality researchers and in-depth studies on issues related to the historical background of the emergence of Bangladesh and its development journey towards achieving a sustainable future.

Eminent Professor Dr. Anawar Husain is currently honored as 'Bangabandhu Chair Professor'. In addition, there are number of research fellows to carry out studies on different aspect of Bangabandhu's life and work as well as on Bangladesh. The scope of the research work covers following six phases:

- The eventful and struggling life of Bangabandhu Sheikh Mujibur Rahman and his quest for the emancipation of the Bengali nation (17 March 1920 - 15 August 1975).
- The glorious past and history of Bengali Nation (Until 1947).

- The 25-year struggle for independence and preparation for liberation war under the leadership of Bangabandhu Sheikh Mujibur Rahman. (Until 1970).
- The declaration of Independence and the glorious liberation war under the leadership of Bangabandhu Sheikh Mujibur Rahman (1971).
- Reconstruction of newly independent and war-torn Bangladesh and the journey towards implementing the Golden Bengal under the leadership of Bangabandhu Sheikh Mujibur Rahman.
- Materializing the dream of Bangabandhu's Golden Bengal and making Bangladesh a developed country upholding continuous progress.

BUP is deeply committed to promote high quality research to develop the knowledge-based society in the country imbued with the spirit of great Liberation War of Bangladesh 1971. Bangabandhu Chair is no doubt a significant milestone in patronizing researchers including faculty members of BUP to study different aspects of his life, work and contribution to Bangladesh and its journey towards sustainable development.

Facilities and Services

BUP Residential Hall

Since BUP is a new university, it has no residential hall facilities of its own. For the accommodation of the students coming from outside of Dhaka, BUP has been conducting its residential hall facilities in Eight rented houses (Male hostel-02, Female hostel-06) in Mirpur DOHS since 2010. These hostels are fully furnished with modern facilities. At present, 116 male students and 324 female students (total 440) are getting residential hall facilities. Lt. Col Md. Alauddin Al- Mamun, G+, Arty (Retd) is the responsible as the Residential Hall Provost. To assist him in these activities, one Associate Professor (Male) and Assistant Professor (Female) have been assigned as the Assistant Provost in male and female residential hall respectively. Apart from that, 1 other faculty member in male student hall and 4 faculty members in female residential hall are working as the House Tutors. Necessary staff has been recruited and engaged for other activities in the residential halls. Adequate security measures are put in place in all the residential halls to ensure the safety of the students. Besides, BUP has already taken initiatives to set up its own residential hall for students.

Medical Facilities

BUP medical centre was inaugurated in March 2010 with a Medical Officer and a Medical Assistant under supervision of VC Office. Now it's running with a Chief Medical Officer, 1x Deputy Chief Medical Officer, 1x Assistant Director, 1x Paramedic, 3x Medical Assistant, 2x Office Assistant Cum Data Processor, 2x Office Assistant.

Students, Teachers, Officers and Staffs are treated here with required medical assistance and medicine supply. In case of unavailability of drugs, it is supplied by local purchase. There are 5 observation beds (where emergency patients are kept under observation & referred to higher medical centre as per their situation), 4x oxygen cylinder, 3x glucometer, 1x ECG machine and 1x ambulance.

Now a days, BUP medical centre runs beyond office hour up to 5:30 pm on working days. Beside this, medical coverage is also provided to BUP self-finance vme conducted on Friday & Saturday from 9:00 am to 9:30 pm & on Sunday, Wednesday & Thursday from 6:00 pm to 9:30 pm. A wheelchair is kept on 8th & 12th floor of the academic building for emergency patient transport.

Centre also provides medical support on 24 hours on call basis and during seminar, symposium, workshop, sports and cultural activities. Voluntary blood donation programme is also organized by BUP medical centre.

Scholarship and Stipend

Each year scholarship and stipend are granted to many students basing on some criteria set by the university. The aim of the scholarship is to reward the students for good academic performance as well as to help those who need financial assistance. Scholarship, Teaching Assistantship, Fellowship, and stipend are granted to the deserving students. Scheme of those and levels are shown in table below.

Scholarship Scheme	Level
Education Board Scholarship	Merit
	General
	Chancellor's Merit Scholarship
	Chancellor's Gold Medal
Scholarship and Stipend for BUP Students	Vice Chancellor's Gold Medal
	Vice Chancellor's Stipend
	BUP Scholarship
	BUP Stipend
UGC Scholarship	
Others	

Student Counselling

Counselling of Placement Center, in short CPC, started its journey on 13 May 2019 with the purpose of providing comprehensive support for the students' academic and professional journey. The CPC plays a vital role in nurturing the overall well-being of our students, encompassing socio-emotional, academic and career counselling. One of the major tasks of CPC is to formulate academic and socio-emotional counselling and guide students to enter in the job market with career counselling.

Academic counselling provides an environment that foster personal growth and ensures overall wellbeing of students. Academic counsellors provide educational guidance and assist students on academic and social matter.

Socio-emotional Counselling Specialist (SEC) enables students in keeping their social and emotional well-being during their university life by maintaining a sound mental health.

The Placement Center of CPC provides Career Guidance and Counselling for BUP Students to assist in bridging the gap from education to employment. CPC offers individual interviews, workshops on job seeking, resume writing, using introduction letters as a tool and preparation for job interviews.

Internship

BUP provides required assistance to be the students for job opportunity in all kind of industry, corporate world, agro-based processing industry and service sector and coordinate with concerned organizations or forms for enrollment in their internship programme.

Transport Facilities

BUP has a safe and secured transport service for the faculty members, students and staffs. The buses run on specific routes covering more than 60% of the city. The bus timings are synchronized with the schedule of the university.

BUP Bus Route

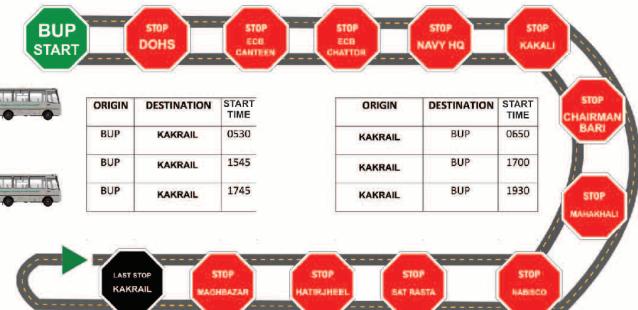

Route 1- BUP - Uttara

Route 2- BUP- JFP- KAKRAIL

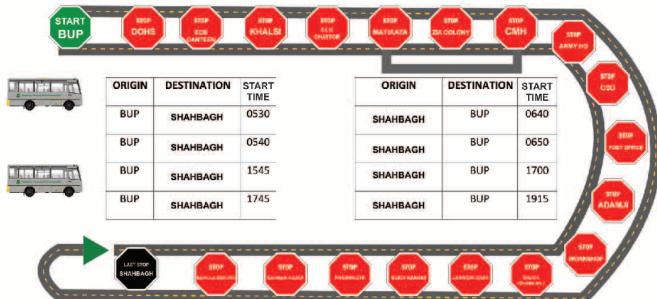

Route 3- BUP- MAGHBAZAR- KAKRAIL

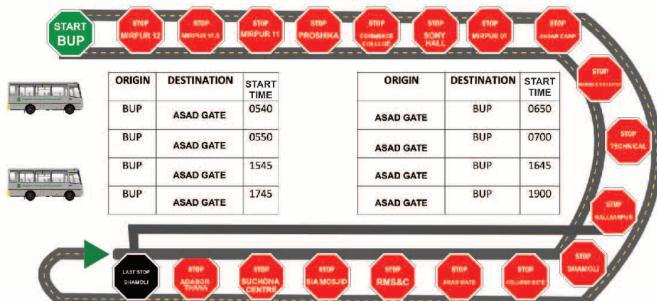

Route 4- BUP- SHAHBAGH

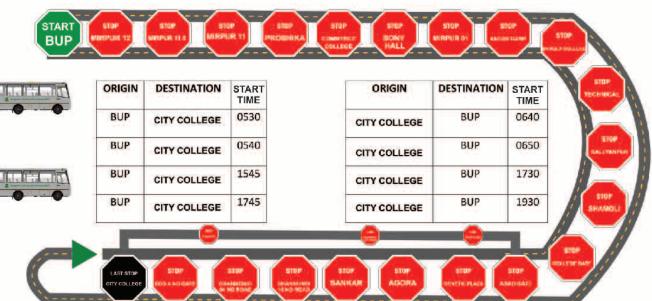

Route 5- BUP- KHAMAR BARI MOR

Route 6- BUP - CITY COLLEGE

Route 7- BUP - ASAD GATE

Canteen

BUP has an on-campus canteen and catering services. At reasonable prices, it offers healthy and hygienic food and services to students, teachers, staff, and guests. It provides snacks, meals, and drinks for breakfast, lunch, and snacks in the evening. It maintains cleanliness and hygiene. There are three cafeterias on BUP premises. All the cafeterias are great places to hang out.

Library and Archive

BUP library is in 1st floor of BUP Academic Building and holding approximately 24600 books which are mostly related to the academic departments of BUP.

Access to Library and Related Facility

- a. Lending Books to the Students
- b. Reading facility within the library
- c. Use of Research Paper and Report
- d. Internet browsing (Cyber Centre)
- e. Remote Xs facilities to use during off campus house
- f. Reading newspapers.

Automation of Library

BUP library is being operated with RFID (Radio Frequency Identification) based library management system. Through the system, user can get number of facilities, among them the important facilities are list of books, journals, issue and receipt of books using electronic system, having list of issued books in own profile, receiving email notifications about book issue, receipt and fine, anti-theft detection facility etc. In near future, BUP will set up the e-library which will connect all global institutes esteem research institutions.

Library Digitalization

BUP library is enriched with 12 international E-Resource links through which a user can have access to many scholarly materials. The name of the links are as follows:

SL	E-Resource Link	SL	E-Resource Link
1	JSTOR	7	Cambridge University Press
2	Oxford Scholarship	8	World Scientific

Information & Communication Technology Centre (ICT Centre)

BUP is one of the leading university of the country and its ICT Centre has been supporting the digitalization of entire university with latest technology. We have more than 2000 computing devices with internet connection in classrooms, computer labs, cyber center in language center and different offices in order to conduct student education, research activities and administrative jobs. High speed Wi-Fi connections are available throughout BUP campus including the halls for all teachers, officers, employees and students. A customized Enterprise Resource Planning (ERP) application have been developed for the automation of academic, financial, inventory and administrative activities of BUP. The system has different applications and modules integrated into it. Class attendance, routines, assignments, examination results etc are included in this system. All the classrooms have been digitalized for smooth teaching and learning of the students. Recently, a web based digital archive, has been developed to incorporate and preserve all records of various activities of the institution. Keeping in mind the motto of BUP, we are striving hard to provide unhindered ICT services and achieve excellence.

Our Services

1. UCAM (University Comprehensive Academic Manager): Students can access class routines, attendance, results, and can pay fees through University Comprehensive Academic Manager (UCAM). **Credentials from the department.**

2. Access Control: BUP provides RFID embedded BUP ID card for access to the campus, library and Managed Print Service (MPS) facilities. **Credentials from the department.**

3. BUP Wi-Fi: BUP provides Wi-Fi facilities for all throughout campus premises as well as residential halls. Use your student ID and follow "Forgot password" procedures.

4. Managed Print Service (MPS): Managed Print Service provides on-payment print facilities to students from anywhere. Students can also avail photocopy and scanning facilities.

Collect PIN code from MPS help desk (BUP Plaza) and Sharing your ID Card.

5. Online Payment: Students can pay their tuition fees through online, (Within UCAM) or TBL Branches.

6. Multimedia Service: ICT Centre provides various multimedia services for any programme in BUP.

7. Miscellaneous Services: Central Content Display Management System: To display Audio Visual snippets created by departments/clubs and Cyber Centre in library provides free access to internet for students.

Point to Note

- Get relevant credentials to access all ICT services from programme coordinator.
- Log out of computer systems when you have finished using them.
- Use your University ICT systems for purposes relating to your study, research or work at the University.
- Remember that all use of ICT facilities might be logged and monitored. Remember that every website you visit or resource you use costs the University money.
- Think carefully about your online conduct to protect personal information.
- Keep your operating systems and software up to date.
- Report all computer faults to the ICT service desk (01769-021599).
- Read and comply with the university's conditions for using ICT facilities.

CO/Extra-Curricular and Club Activities

Club Activities

Students voluntarily participate in extra-curricular and club activities in order to enhance their physical, intellectual, moral and ethical development. The clubs are functioning well and contributing significantly to arrange different events in the university. They organize inter-batch/department, inter-university and other competitions. They also organize and participate in various cultural events, sports, debate etc. The students of BUP are also connected with other universities through different clubs. The following clubs are functional in BUP:

- BUP Cultural Forum
- BUP Disaster Management Forum
- BUP Debating Club
- BUP Literature & Drama Club
- BUP Research Society
- BUP Development Leaders' Club
- BUP Economics Club
- BUP Accounting Forum
- BUP Finance Society
- BUP Career Club
- Human Resource and Leadership Club
- BUP Business and Communication Club
- Quizzers Society of BUP
- BUP Global Affairs Council
- BUP Law and Moot Court Club
- BUP Film Club
- BUP Photography Society
- BUP InfoTech Club
- BUP Robotics Club
- BUP IEEE Student Branch
- Environmental Club of BUP

Seminars/Workshops/Lectures/National and International Days

Departments under different faculties regularly organize seminars and workshops on important academic / business issues. Lectures/presentations by eminent academicians/professionals/experts are also organised throughout the academic year with a view to widening the critical faculty and mental horizon of the students.

International seminars are also arranged every year for the similar purpose. Besides, BUP also celebrates national and international days with appropriate dignity.

Convocation

BUP holds an Opening Convocation every year to welcome new students with various colorful events. Students along with guardians also participate in the event. On the other hand, BUP conducts regular convocations to hand over academic certificates to the students who successfully complete courses from the university. So far 4 convocations were held in BUP.

Achievement

BUP students are regularly participating in various competitive programme at home and abroad such as debate competitions, case competitions, cultural fest and so on keeping the signature of success.

Study Tour/Excursion and Industrial/Organizational Visits

Department organizes study tour/industry visit in different times of a year as a part of their academic programme. The students get a chance to apply their theoretical knowledge in practical field through these study tour and industry visit.

Awareness

Sexual Harassment

Any complaint of Sexual harassment Prevention Cell

"Let's prevent sexual harassment together
With improved mentality, let's make a better country."

Sexual Harassment Prevention Cell

In accordance with several paragraphs of the Constitution of People's Republic of Bangladesh regarding the assurance of gender equality in every sector, BUP has taken "Zero Tolerance policy against sexual harassment to ensure a sexual harassment free campus and workplace. BUP Sexual Harassment Prevention Cell (SHPC) has been working relentlessly for raising awareness against sexual harassment, its negative impacts and sexual harassment as a punishable offense.

All are requested to go through the policies of Hon'ble High Court on the prevention of sexual harassment in educational institutions and workplaces' very carefully, attached herewith.

Punishment for Sexual Harassment

Actions will be taken against the convict following the rules and ordinance of BUP fomed according to the instructions of Hon'ble High Court.

Teasing someone through indecent gestures, languages, or comments; getting close to someone or following that person to get into unethical sexual relationship; using sexually perverted language to tease and mock at someone. Writing sexually harassing comments or insulting statements in letters, telephone or mobile SMS, pictures, captions, notices, cartoons, benches, chairs, and tables, notice boards, office rooms, factories, classrooms, and bathroom walls. Taking or creating inappropriate photographs or videos to blackmail or insult someone. Preventing someone from taking part into sports, cultural activities or institutional or educational programmes through sexual assaults.

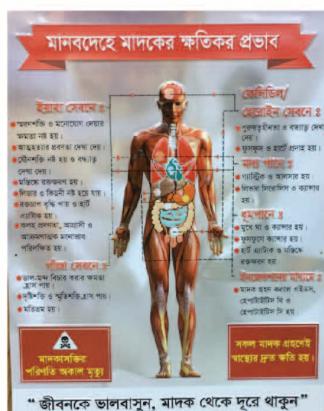

Process of Complaining:

There is a SHPC in BUP. The victim of sexual harassment can make complaints to the SHPC either in person or through a friend or a letter. The complainant can independently lodge complaints to the female members of the Cell. There is a "Sexual Harassment Complaint Box" in front of BUP Cafeteria where one can complain about sexual harassment. The complainant will receive a message from the SHPC on the day of the incident. The identity of both the victim and the convict will be kept confidential.

Contacts of SHPC:

- Associate Professor, Dr. Fahmida Haque, Department of English, SHPC, Chairmen, BUP. Room No: 408, Academic Building, Mobile: 01769028477.
- Associate Professor Dr. Sumayya Begum, Member, SHPC, BUP. Room No: 411, Academic Building, Mobile: 01769021739.
- Dr. Azizunnahar, Deputy Chief Medical Officer and Member, SHPC, BUP. Room No: 109, Administrative Building, Mobile: 01769021620.

AWARRNESS AGAINST DRUG ABUSE

**SAY NO TO
DRUGS**

Drug abuse is a preventable behavior. An effective way to get rid of drugs is to have good companions, involvement in games and social activities, reading books etc.

Drugs: (BUP's Stand)

- BUP is zero tolerant to drug abuse.
- There is no place for drug abuser in BUP.
- Minimum Punishment for drug abuser in BUP is termination of studentship.

Keep yourself away from drug abusing.

Engage yourself in study and extracurricular creative activities.

Study and drug abuse cannot go side by side.

Drugs will not solve your problem; discuss your problem with your counselor.

Drugs destroy lives and communities, undermine sustainable human development and generate crime. Drugs affect all sectors of society in all countries; in particular, drug abuse affects the freedom and development of young people, the world's most valuable asset.

Why drugs are bad for young generation and society?

- Recent studies show that drugs can damage the developing adolescent brain particularly the part that deals with emotions, memory and decision making.
- It can affect learning and problem solving.
- Drugs can cause hair loss, bad breath, stained teeth, liver disease and can also lead to brain damage. Drugs also affect one's behavior, making them aggressive and violent.
- Drug abuse distracts attention leading to academic failure and poor social skills.

In spite of knowing the harmful effects of drugs, young generation consume it to forget their worries to make up their loneliness or boredom and seek happiness.

When a friend offers you

Drugs are easily available. Young people find themselves being offered drugs by their friends. As teen, the most important thing is that you should not be embarrassed by saying "NO". Leave the place where you might be offered drugs. If your friends continuously insist you on trying drugs, then may be it's time to change friends.

Learning to make good decisions

- Parents will teach their children to "SAY NO" but it is better to help them build skills for making good decisions in any situation.
- Teach them responsible behavior.
- Acknowledge good decisions and help them learn from their mistakes.
